## DIGGING DINOSAURS

**FRIDAY 29 SEPTEMBER | 10.30AM  
CAMPBELLTOWN GOLF CLUB - LAKEVIEW ROOM**

Your kids will have a roaring great time as they learn about dinosaurs in this hands on workshop designed to look at palaeontology in a realistic way.

- Check out life size replica of the Velociraptor dinosaur skull and come face to face with T-Rex!
- Work like a real paleontologist; dig out and analyse the specimens found.
- Find out how fossils are formed and how it's easy to find them on the beach.
- Feel replica dinosaur skin and compare it with modern animals.
- Go beyond dinosaurs to look at Australian megafauna.
- Make casts of ancient creatures to keep and more!
